- This product is a non-user replaceable light source: The light source contained in this luminaire shall only be replaced by the manufacturer or his service agent or a similar qualified person.

All installations should be carried out by a qualified tradesman in compliance with the National Plumbing & Drainage Code and any State or Local Authority Regulations, in accordance with AS/NZS 3500 series of standards and AS/NZS 6400. All measurements are in millimetres and are subject to change without notice. For ceramic products, please allow +/- 10 mm tolerance for manufacturing variance. Please refer to fienza.com.au for the latest product specification.

NOTE: Installation is considered acceptance of goods and will void warranty.

Check all parts on the package contents list are present.

Remove glass shelves from inside the cabinet and set aside in a safe area away from your work space.

- Slide glass shelves towards you, out of brackets
- Remove brackets from bracket holes.

**Internal
Glass Shelves**

Attaching Side Panels to the Cabinet

1

- Line up side panel with the cabinet.

- Open the Cabinet doors - in each side there are 4 screw holes.

2

- Use a screwdriver to attach the side panels to the cabinet.

(If using an electric screwdriver be careful not to over-tighten as this may cause damage)

- Check panels are securely attached to the cabinet.
- Attached Cabinet to wall before re-installing the glass shelves.

Door hinges may need slight adjustment to realign doors after transit and handling.

All installations should be carried out by a qualified tradesman in compliance with the National Plumbing & Drainage Code and any State or Local Authority Regulations, in accordance with AS/NZS 3500 series of standards and AS/NZS 6400.
